

# BAKE SALE!

**Saturday April 27th, 10am-1pm**  
**Beaches Rec Centre - Williamson Rd**

## Baking a Difference: Fundraiser

Join us for a special community event dedicated to supporting one of our own, where small acts of kindness "**Bake**" a big difference!

For over two decades, **Gaby** has shown us the power of caring and community through **bake sales**. By including the neighbourhood children in more than **30 fundraising efforts**, she has created a strong sense of unity and support within our community and beyond. This remarkable woman has also devoted much of her time to caring for others, as a **caregiver** to our children and a **PSW** to the elderly.

Today, Gaby and her husband are facing a difficult time. Her husband was recently injured in a car accident as a pedestrian and faces a **long road to recovery**. Unable to fully work during this recovery time, they now find themselves in need of support. The support they have always provided to others. Now it's **time for us** to help her family!
